I don't recall that being the agreement.....We agreed to submit compliance reports, etc., but I don't believe we agreed to submit stack tests since the request was not specific. I will need to check with my management to confirm.
Thanks.

Michelle,

I am the staff person assigned to the Expera 114, since Victoria left the Region. In reviewing her notes, I read that WDNR would be provided stack tests to us back to 2015. Is this correct? When should I expect to receive those?
